Washington Business Entities: Law and Forms, Second Edition

Perkins Coie partners Stewart Landefeld and Eric DeJong have co-authored *Washington Business Entities: Law and Forms, Second Edition*, an indispensable treatise for any corporate attorney and general practitioner seeking a resource and tool that provides comprehensive guidance on Washington business laws. This three-volume publication, available in hard-copy or eBook format, is packed with critical information on creating, maintaining and dissolving Washington State business entities as well as the corresponding forms.
