The IPO Handbook

An initial public offering is the realization of a dream for many

entrepreneurs, executives, board members and stockholders, a singular achievement that demonstrates their success in building a strong business and creating value for owners, employees and customers. However, an initial public offering is not only a milestone, it is also the entrance into a new stage—life as a public company—that possesses its own unique opportunities, risks and challenges. View *The IPO Handbook*.

The *IPO Handbook* is also available as an e-book and can be downloaded, free of charge, in a variety of formats using the links below.

Links to Download the E-book

- Online Reading
- Epub (Apple iPad/iBooks, Nook, and most e-reading apps)
- Kindle
- PDF
- Full List of Formats

To request a hard copy of *The IPO Handbook*, please email Jennifer Musser at JMusser@perkinscoie.com.
