

Perkins Coie's Trademark and Patent Practices Ranked Top Tier in China, Named a Law Firm of the Year Finalist by Asian Legal Business

SEATTLE (June 4, 2020)—Perkins Coie is pleased to announce that it has been awarded Tier 1 rankings for its patent and trademark practices in China in *Asian Legal Business's* (*ALB*) annual intellectual property rankings for 2020. The firm has also been named a finalist in the 2020 IP Law Firm of the Year ranking, which will be announced on August 6, 2020.

This is the second year in a row that Perkins Coie placed within both top categories in the annual *ALB* survey, which tracks law firms engaged in IP work across Asia.

Perkins Coie's IP practice combines the focus and flexibility of a boutique firm with the complementary services of one of the world's leading technology law firms. Our internationally recognized IP practice consists of more than 250 attorneys and agents who provide innovative, comprehensive counsel at every stage of IP protection and development. With more than 50 attorneys in key markets throughout the United States and China, our Trademark, Copyright, Internet & Advertising practice has extensive experience in all areas of the United States, the People's Republic of China (PRC), and international trademark prosecution, counseling, enforcement, and litigation. We work closely with clients to identify and protect the integrity of their brands and distinguish clients from competitors. To support clients and accommodate growth in the PRC, Perkins Coie recently established an Intellectual Property Agency in both Beijing and Shenzhen and moved to a new and expanded office in Beijing.

Perkins Coie is a leading international law firm that is known for providing high-value, strategic solutions and extraordinary client service on matters vital to our clients' success. With more than 1,200 lawyers in offices across the United States and Asia, we provide a full array of corporate, commercial litigation, intellectual property, and regulatory legal advice to a broad range of clients, including many of the world's most innovative companies and industry leaders as well as public and not-for-profit organizations.
