

## Perkins Coie Launches New Trade Secret Tracker Blog

**SEATTLE (August 11, 2020)** - Perkins Coie has launched its latest blog, [Trade Secret Tracker](#). This legal blog will highlight and analyze the latest legal developments in trade secret litigation, including court rulings, legal news, and trade secret best practices for companies and their legal departments.

The blog will be edited by Perkins Coie Partners Susan Foster, James Sanders, and John Gray and will feature posts by the top attorney practitioners among the firm's Trade Secrets practice. It will offer timely insights into emerging trends across industries—including cutting-edge technologies, such as autonomous vehicles, artificial intelligence, and machine learning.

Perkins Coie represents plaintiffs and defendants, from *Fortune* 100 companies to startups, in high-stakes disputes as well as counseling matters to prevent the loss of proprietary information and threats to trade secrets. Whether moving swiftly to obtain preliminary injunctions or strategically assembling a trial-tested team to uphold clients' rights, Perkins Coie is highly experienced with the timing, critical components, and compelling arguments of trade secret claims. Our approach is cross-disciplinary, a reflection of the often-technical underlay of these claims.

Our attorneys regularly manage complex, massive, multiparty trade secret litigation in a practical and effective way, two words not usually associated with such cases. More than 100 attorneys focus on trade secret issues and offer comprehensive legal representation in sophisticated, large-scale matters. We have prevailed at trial, secured jury awards, defeated high-risk claims, and obtained substantial arbitration awards related to trade secret misappropriation claims.

Perkins Coie is a leading international law firm that is known for providing high-value, strategic solutions and extraordinary client service on matters vital to our clients' success. With more than 1,200 lawyers in offices across the United States and Asia, we provide a full array of corporate, commercial litigation, intellectual property, and regulatory legal advice to a broad range of clients, including many of the world's most innovative companies and industry leaders as well as public and not-for-profit organizations.
