

Perkins Coie Recognized as the Leading 2021 Best Workplace in the Bay Area by Great Place to Work® and Fortune

SAN FRANCISCO and PALO ALTO (January 14, 2021)—Perkins Coie is pleased to announce that it has been named as the Bay Area's leading employer by research and consulting firm Great Place to Work® and *Fortune* for the first time.

The firm was ranked [in first place](#) among 40 large company best workplaces across the Bay Area for 2021.

"We are thrilled to have won this important recognition amid the ongoing pandemic. We've worked hard to maintain a work culture committed to collaboration, diversity, and inclusion to help all our team to continue to thrive in a largely virtual world," said Laura Zagar, San Francisco office managing partner. "Continuing to foster an inclusive and supportive workplace, including for our new attorneys and staff that joined us during the pandemic, has never been more important and we have adopted many new initiatives to ensure we safeguard our culture through COVID-19."

"We are honored to be recognized as the leading Bay Area employer which is a true testament to all our attorneys and staff, who are the driving force behind our unique workplace culture," said Daphne Higgs, Palo Alto office managing partner. "We have heightened our focus on collaboration, diversity, and inclusion in the past year—in part to meet the unique challenges of the pandemic—but also because it is core to our values and culture and highly beneficial to the counsel we provide to our clients."

The rankings were based on confidential surveys from over 44,000 Bay Area employees who provided insights about their employers' values, the effectiveness of their leaders and their experiences of trust, and reaching their full potential as part of their organization.
