

Perkins Coie's 2020 Patent Defense Win Rate Found Third Highest by Docket Navigator

SEATTLE (February 4, 2021)—Perkins Coie is pleased to announce that it ranked among the top three firms in U.S. district courts with the highest patent challenger win rate by Docket Navigator's 2020 "Year in Review" report. The firm also ranked as the sixth-most-active patent defense firm nationally.

Perkins Coie has consistently ranked among the top firms in Docket Navigator's annual patent litigation report since its inception. The report provides an overview of key players and events in patent litigation and summarizes trends affecting the patent community, drawing from data collected from government sources that include Public Access to Court Electronic Records (PACER), U.S. Patent and Trademark Office (USPTO) databases, U.S. *International Trade Commission* (USITC), Electronic Document Information System (EDIS), Patent Trial and Appeal Board End to End (PTAB E2E), and the Food and Drug Administration (FDA).

Perkins Coie's Intellectual Property practice combines the focus and flexibility of a boutique firm with the complementary services of one of the world's leading technology law firms. Our internationally recognized IP practice consists of more than 250 attorneys and agents in the United States and Asia who provide innovative, comprehensive counsel at every stage of IP protection and development.

Perkins Coie is a leading global law firm, dedicated to helping the world's most innovative companies solve the legal and business challenges of tomorrow. Learn about our work and values [here](#).
