

## Perkins Coie Represents BitTitan in Acquisition by Idera

**SEATTLE (November 3, 2021)**—Perkins Coie is pleased to have represented BitTitan, Inc., a global leader in cloud and data migration products, in its acquisition by Idera, Inc., parent company of global B2B software productivity brands. BitTitan will join Idera's Data Tools business unit. For more information, please see Idera's press release [here](#).

BitTitan empowers IT service professionals to deploy and manage cloud technologies through its family of software solutions, featuring MigrationWiz, an industry-leading SaaS platform for mailbox, document, public folder, and collaboration tool migrations. BitTitan partners with leading cloud ecosystems, including Amazon, Google, Microsoft, and ServiceNow, and a broad array of managed service providers, such as SoftwareONE and SHI, to deliver robust data migration services.

The Perkins Coie deal team was led by mergers and acquisitions partner Nick Davis and counsel Arian Galavis and included associates Andrew Perez, Numaan Deen, and Sean Wagnon. Counsel was also provided by antitrust partner Chris Williams; employee benefits partner Tom Cristy and associate Cris Jones; executive compensation partner Lisa McGimpsey and counsel Kelly Reinholdtsen; technology transactions and privacy partner Kirk Soderquist and associate Michael Hemes; and tax partner Bryan Smith. Perkins Coie has served as outside counsel to BitTitan since 2011, led by technology transactions and privacy partner Kirk Soderquist.

Perkins Coie is a leading international law firm that is known for providing high-value, strategic solutions and extraordinary client service on matters vital to our clients' success. With more than 1,200 lawyers in offices across the United States and Asia, we provide a full array of corporate, commercial litigation, intellectual property, and regulatory legal advice to a broad range of clients, including many of the world's most innovative companies and industry leaders as well as public and not-for-profit organizations.
