

Perkins Coie Represents 11:11 Systems in Acquisition of Static1

DENVER (July 12, 2022)—Perkins Coie is pleased to have represented 11:11 Systems, a managed infrastructure solutions provider backed by Tiger Infrastructure Partners, in its acquisition of Static1. For more information, please see 11:11 Systems' press release [here](#).

Static1 is a leader in managed network and information technology (IT) infrastructure development and services, as it designs, builds, runs, and optimizes IT infrastructure. Through the acquisition, Static1's team and technology will complement 11:11's recent acquisitions of Unitas Global, Cleareon, iland, and Green Cloud Defense—each of which holds market leadership positions within the cloud, connectivity, and security spaces.

The Perkins Coie deal team was led by Denver Partner Sonny Allison and included Amelia Davis, and Pam Wang.

Perkins Coie is a leading international law firm that is known for providing high-value, strategic solutions and extraordinary client service on matters vital to our clients' success. With more than 1,200 lawyers in offices across the United States and Asia, we provide a full array of corporate, commercial litigation, intellectual property, and regulatory legal advice to a broad range of clients, including many of the world's most innovative companies and industry leaders as well as public and not-for-profit organizations.
