

Perkins Coie Again Named Leading Patent Litigation Defense Firm by Lex Machina

SEATTLE (February 21, 2023)—Perkins Coie is pleased to announce that the firm has again been recognized by Lex Machina in its annual Patent Litigation Report as one of the most hired law firms in the United States for patent litigation defense.

Of the national law firms handling the most patent defense cases, Perkins Coie ranked fourth, with 226 cases across 27 jurisdictions from 2020 to 2022. This is the third year in a row Perkins Coie has achieved this placement.

Lex Machina's Patent Litigation Report summarizes federal district court data from the past decade and post-grant data since the Patent Trial and Appeal Board's inception in 2012. The report also identifies key patent litigation trends that have emerged in the last year.

Perkins Coie's internationally recognized Intellectual Property practice consists of more than 250 lawyers and agents in the United States and Asia who provide innovative, holistic counsel at every stage of intellectual property protection and development.

Perkins Coie is a leading international law firm that is known for providing high-value, strategic solutions and extraordinary client service on matters vital to our clients' success. With more than 1,200 lawyers in offices across the United States and Asia, we provide a full array of corporate, commercial litigation, intellectual property, and regulatory legal advice to a broad range of clients, including many of the world's most innovative companies and industry leaders as well as public and not-for-profit organizations.
