

IAM Patent 1000 Recognizes Perkins Coie and 51 Lawyers as Patent Leaders in U.S. and Asia

SEATTLE (June 27, 2023)—Perkins Coie is pleased to announce that 51 of its intellectual property (IP) lawyers in the United States and Asia were recognized by *Intellectual Asset Management (IAM)* in the 2023 *IAM Patent 1000* list, which recognizes the world's leading, best-in-class patent professionals.

The firm was ranked nationally in the newly created International Trade Commission and Trade Secret Litigation categories and held its position in the national Patent Litigation, Prosecution, and Post-Grant Proceedings rankings. Perkins Coie is ranked in nine U.S. regions, including newly added Texas this year. Six lawyers—Bing Ai, Dan Bagatell, John Gray, Chun Ng, and James Sanders—were recognized as leading national IP strategists.

As part of its 2023 rankings, *IAM* states Perkins Coie is "an exceptional firm with a deep bench of talented practitioners who provide the A-to-Z patent service and showcase incredible skill and determination. The team is experienced, professional, and enjoyable to work with; they provide sound legal evaluations and have a thorough understanding of the technical aspects of a case. They expertly handle everyday patent issues as well as esoteric issues and consistently obtain favorable results." The guide further shared, "A large firm with an international footprint and resources that can cover the whole spectrum of IP services, Perkins Coie is one of the best outfits in the United States. The team provides a personalised service and achieves top-notch results, often for a lower price than other big firms, thanks to the skill and determination of its practitioners."
