

Marc Martin Quoted in Law360—The Top Telecom Developments That Defined 2021

Partner Marc Martin was quoted in "The Top Telecom Developments That Defined 2021," an article in [Law360](#),* regarding telecom policy developments and FCC leadership.

"They clearly got a number of things done, including enforcement actions, but they weren't able to do anything like net neutrality or anything that would be perceived as more partisan," said Perkins Coie LLP communications industry group chair Marc Martin. "In a way, it was kind of a lost year from the Biden administration's perspective."
