

Partner Sunita Bali Quoted in Law360—Rising Star: Perkins Coie's Sunita Bali

Partner Sunita Bali quoted in "[Rising Star: Perkins Coie's Sunita Bali](#)," an article in *Law360** regarding her achievements in cases involving the technology, cybersecurity and privacy industry.

"I like to win for my clients, but it's also really satisfying to like helping them problem-solve as well," Sunita Bali said.

Bali described it as a "cool, full-circle moment" when RadNet's general counsel David Katz hired her to lead the radiology firm's response to class action litigation stemming from a 2020 data breach that exposed employee Social Security numbers and other personal data.

Katz had been a longtime partner at Perkins Coie before joining RadNet and was instrumental in the firm's decision to hire Sunita as a summer associate in the firm's diversity fellowship program, Sunita said.

"Fast forward 12 years, and the same person who hired me at Perkins, and who was a mentor to me, hires me to lead this case," Sunita said.
