

Perkins Coie Lawyers Quoted in The Global Legal Post—Perkins Coie Acquires New York Start Up Advisory Boutique Kluk Farber Law

Partners Brian Eiting and Ron Sarubbi were quoted in "[Perkins Coie Acquires New York Start Up Advisory Boutique Kluk Farber Law](#)", an article in *The Global Legal Post*, regarding the firm's Emerging Companies & Venture Capital practice expanding in the East Coast.

Brian Eiting, co-chair of the firm's corporate law practice, said: "The addition of Kluk Farber's highly regarded and talented lawyers further cements Perkins Coie's position as a leading technology firm in New York and across the nation. Agatha, Sonia, Eitan and the entire team are a perfect fit for Perkins Coie's culture, client base and strategic vision, bringing a keystone emerging companies practice to our New York office."

Ron Sarubbi, Perkins Coie's New York office managing partner, said: "Our expanded capabilities will provide new opportunities to serve New York's start-up ecosystem and the entrepreneurs and innovators who are also revolutionising Wall Street and the capital markets."
