

Keith Miller Quoted in Law360—Investor Org. Wants LBRY Tokens To Be Usable After SEC Win

Partner Keith Miller was quoted in "[Investor Org. Wants LBRY Tokens To Be Usable After SEC Win](#)," an article in *Law360** regarding all future transactions with the LBRY digital tokens.

Keith told *Law360* in an email that the company is "thrilled" by ICAN's brief.

"This is particularly important for secondary holders of LBC tokens who are consumptively using them on the LBRY blockchain ... LBC tokens are simply software code and cannot, without more, transform the digital asset into a security."
