

April Goff Quoted in HR Drive—Despite Enforcement Delays, Attorneys Urge Preparation for AI, Privacy Laws

Partner April Goff was quoted in "[Despite Enforcement Delays, Attorneys Urge Preparation for AI, Privacy Laws](#)," an article in *HR Drive*, regarding regulation of the use of AI and personal data for employment in certain states.

"If they don't have California employees, a lot of companies think they're off the hook. They're not," said April. "If they don't come until April or May, that's not going to give [companies] enough time to start the process. Companies have to start now," April told HR Dive.
