

Marc Martin Quoted in Law360—The Top Telecom Developments To Watch In 2023

Partner Marc Martin was quoted in "[The Top Telecom Developments To Watch In 2023](#)," an article in *Law360*,* regarding telecom sector issues in 2023.

When looking back at the substantial items Rosenworcel could have achieved with a fifth commissioner, "the most obvious one is net neutrality," said Marc.

"She was an outspoken advocate for net neutrality in the past. She was an outspoken opponent of its repeal, under Chairman [Ajit] Pai during the Trump administration," he said. "And she [also] reaffirmed her interest in it when she was made chairwoman."
