

Agatha Kluk Quoted in Spiffy's Blog on Ladderworks—Agatha Kluk: Giving Small Businesses a Voice

Partner Agatha Kluk was quoted in "Agatha Kluk: Giving Small Businesses a Voice," an article in *Spiffy's Blog on Ladderworks*, regarding Agatha's impact and motivational advice to others.

Spiffy: Thanks for joining me, Agatha! Tell me, what challenge are you addressing through your organization?

Agatha: Glad to be with you, Spiffy! I am a lawyer for new companies who are changing the world through their products and services! Most of my clients have never started a business before, so they look to me to help them make sure that their company can be successful and legally sound. Lots of tricky issues come up when you start a business, such as how to hire employees, how to protect your name and your brand (your intellectual property), and how to handle disagreements. We help our clients solve many of the problems that they face in their businesses!
