

Troy Foster Interviewed by PitchBook—Crossover investors dip their toes back into venture with pre-IPO secondaries

Troy Foster was interviewed by *PitchBook* and quoted in "Crossover investors dip their toes back into venture with pre-IPO secondaries," an article looking at how public-private crossover investors are re-entering pre-IPO secondaries after pulling back from such investments in 2022, and how this could mark a positive signal of change for venture capital markets.
