

Perkins Coie sponsored the 18th Wisconsin Stem Cell Symposium "Blood Stem Cells: Mechanisms, Pathogenesis, and Genome Editing" coordinated by the University of Wisconsin–Madison [Stem Cell & Regenerative Medicine Center](#), the [Wisconsin Blood Cancer Research Institute](#) and the BioPharmaceutical Technology Center Institute (BTC Institute).

This symposium brought together leaders in the field and trainees of diverse backgrounds to discuss these recent fundamental and translational advances, which inform broader aspects of stem cell biology and molecular medicine.
