

Who Are All These People Involved in My Claim? Thoughts From a Claim Preparer

Jim Davis and Brad Dlatt interview special guest Brad Murlick, Managing Director in BDO USA's Forensic Insurance and Recovery Practice, who is at the front lines of preparing COVID-19 business interruption insurance claims. Topics include what is happening on the ground, the use of the pollution exclusion to deny coverage for losses caused by COVID-19, real world claim preparation and management issues, and an update on pending legislation that may impact available insurance coverage.
