

Reopening During a Pandemic: Understanding COVID-19-Related Labor & Employment Challenges For Businesses and Insurance

Perkins Coie's Insurance Recovery Attorneys Jim Davis and Brad Dlatt interview special guest Perkins Coie Labor Partner Heather Sager, who is counseling companies operating during the Covid-19 pandemic. Topics include how businesses find out if they are allowed to re-open, what employers need to know about having employees return to work, the use of health screenings, privacy issues arising from new procedures, the implication for insurance, and a brief legislative update.
