

The Future of Cannabis: State Legalization and Private Sector Perspective

On March 3, 2021, Perkins Coie Partner Barak Cohen moderated a panel to discuss the future of the cannabis industry. Panelists included Michelle Rutter Friberg, Deputy Director of Government Relations at the National Cannabis Industry Association, Steve Hawkins, Executive Director of the Marijuana Policy Project, Yoko Miyashita, Chief Executive Officer of Leafly, and Andrew Kline, Senior Counsel of Perkins Coie and former public policy director for the National Cannabis Industry Association. This recap focuses on discussion related to state legalization and the private sector perspective.
