

The co-chairs of Perkins Coie's Advertising, Marketing & Promotions (AMP) group are excited to launch their podcast titled *The AMP Moment*.

Meant to be easily digestible for busy in-house marketing and litigation counsel, the podcast focuses on where advertising, marketing, and promotions law meets practicing in the moment. On the first episode, [COVID-19 and Advertising and Marketing Law](#), Jason Howell discusses practicing law in the current climate and share hot marketing and litigation topics during COVID-19, including health claims and cause marketing.
