

False Claims Act Enforcement Risks and Healthcare Compliance: A Conversation With Pete Jensen, Global Chief Compliance Officer for Arthrex

In this second episode of a Perkins Coie White Collar & Investigations series regarding False Claims Act (FCA) enforcement, firm attorneys Barak Cohen and Alex Canizares are joined by their guest, Pete Jensen, global chief compliance officer for Arthrex, Inc., one of the world's largest medical device companies. In the podcast, Pete discusses the myriad challenges healthcare companies face when managing compliance risks, including related to whistleblowers. Barak, Alex, and Pete also discuss how current enforcement positions by the U.S. Department of Justice are especially troubling given the densely regulated muddle of law, sub-regulatory guidance, and policies that compliant healthcare companies must navigate.
