

[Inc.](#), and [Agfeed Industries, Inc.](#), were not attributable to the task force. While the SEC's plan to use data analytics and a task force to pursue financial fraud appears to be a work in progress, the SEC has not retreated from making such cases a priority, and the SEC reports that it has opened new investigations in the last six months attributable to the task force. Public companies should continue to be mindful of the SEC's focus on financial reporting and disclosure issues.
