

In this episode of White Collar Briefly, Perkins Coie's David Biderman, firmwide chair of the Consumer Products & Services Litigation group, sits down with Craig Lackey, general counsel of Rushmore Loan Management Services, a major servicer of residential mortgages nationwide.

Their discussion covers topics such as the COVID-19-related downturn on the economy and mortgage servicer responses to COVID-19 and the CARES act. Craig and David also discuss what to expect from enforcement arising from COVID-19 and how to best respond, as well as the likely changes to the enforcement environment in the event of a change in administration.
