

In the premiere episode of *The Tech Law Hangout*, host Jordan Becker guides us through the world of intellectual property (IP) law, including patents, copyrights, trademarks, trade dress, and trade secrets. Jordan breaks each concept down with real-world examples, revealing how each form of IP can make or break businesses and entrepreneurs. Join us on a journey into the realm of IP.

"One thing to note about patents is that the scope of protection can be significantly broader than the specific implementation that the inventors originally conceived of." - Jordan Becker
