

Join us on *The Tech Law Hangout* as we explore the true significance of holding a patent and the essential requirements for obtaining one. Host Jordan Becker reveals the strategic uses of patents, from offensive and defensive tactics to fueling business growth. Plus, we delve into the crucial considerations inventors must weigh when deciding to pursue a patent, including gauging innovation and commercial viability.

"A patent doesn't give the patent owner the right to do anything—it only gives the patent owner the right to stop others from doing something." - Jordan Becker
