Video Archive: “Anatomy of a Proxy – Practice Tips from the Experts”

Here's the [video archive](#) for the webcast from last month - "[Anatomy of a Proxy – Practice Tips from the Experts](#)" - featuring Perkins Coie's own Danielle Benderly, Jens Fischer, Allison Handy and Broc Romanek (we offered practice tips for 17 different sections of a proxy statement) and DFin's Ron Schneider (who parsed some examples of what the disclosures actually look like for those sections). Note we'll be posting the video archive for this past Wednesday's webcast - "Proxy Season Roundtable: What You Need to Know Now" - next week. I'll blog when that archive is posted...
