

On this episode of *The Tech Law Hangout*, we talk about finding a good patent attorney. For those who have already engaged one, we provide tips to ensure that they are the right fit. We also dig into why having a good attorney is essential to protecting legal rights and why it is critical that a patent attorney understands a client's business and business goals.

"A good attorney will draft the application with all of the potential infringers in mind." - Jordan Becker
