"SEC Proposes New Cybersecurity Disclosure Rules"

I'm excited to share our firm memo - "[SEC Proposes New Cybersecurity Disclosure Rules on Incident Reporting, Risk Management, Strategy, and Governance](#)" - authored by Valerie Dahiya and David Aaron. Check it out! Also check out [this blog](#) from Allison Handy about this cyber disclosure proposal. And stay tuned about an upcoming webcast about what you should be doing now in response to this proposal (and the SEC's climate disclosure proposal)...
