

In this episode, Michael Glenn and Colin Fowler talk with Dr. Cecil Christensen, an orthopedic surgeon. Dr. Christensen, a medical pioneer who performed the first hip replacement surgery in the U.S., shares stories and discusses the hard work, foresight, and innovation that guided him on his journey.

*"I had asked the British surgeon if I could come and work with him the following year. And he says, well, write me a letter. And so I did." --- Cecil Christensen, M.D., Orthopedic Surgeon*
