

I know that generative AI is a bit far afield from the type of law that most of us practice. But the issues arising from it are so new that I thought I would bring our series of Client Alerts on the topic to your attention in case you wanted to get your feet wet. Here are two of the Client Alerts we have generated in recent weeks:

- [First Lawsuits Arrive Addressing Generative AI](#)
- [The Latest Chapter in Copyrightability of AI-Generated Works](#)
