We are pleased to publish the latest version our quarterly Food and CPG Legal Trends report. This report is a bite-sized version of our annual year in review, providing timely insights on legal trends in the space.

In Q4 2023, the CPG industry continued to face a meaningful threat of class-action activity, with continued filings against companies in the food, beverage, and personal care space. Recent months have also seen significant regulatory developments relevant to food, beverage, and CPG companies on both a federal and state levels. Read the full report [here](#).
