

Elizabeth Banzhoff was the Chair of the National Association of Women Lawyers (NAWL) Denver conference on April 30, 2019. It was an extremely successful and well-attended event, including many women in-house attorney attendees. Elizabeth gave the welcoming remarks, partner Kourtney Merrill moderated a panel of general counsels, and Sabrina Danielson was a panelist on a panel about intergenerational communication.

NAWL was founded in 1899 to advance women in the legal profession and advocate for the equality of women under the law.
