Blogs

October 07, 2024

In the last 30 days, California Governor Gavin Newsom signed 17 artificial intelligence (AI) bills and <u>vetoed AI safety bill SB 1047</u>. One of the AI-related bills signed into law, AB 2013 "Generative Artificial Intelligence: Training Data Transparency," imposes new disclosure requirements on the developers of generative artificial intelligence (GenAI) systems and services that are made available to Californians.
