OFCCP Hot Topics in New Administration

Christopher Wilkinson will moderate the "OFCCP Hot Topics in New Administration" panel at the [2025 National Conference on Equal Employment Opportunity Law](#) on March 27, 2025.

About the Topic

Despite uncertainty in the regulatory state, the Office of Federal Contract Compliance Programs (OFCCP) continues to aggressively enforce affirmative action and nondiscrimination obligations of covered federal contractors and subcontractors. This session will explore the Agency's approaches to compliance evaluations (audits) under a new robust scheduling letter and itemized listing requiring the production of more data and information at the outset of the evaluation. We also will examine new developments and agency initiatives and their impact on the workplace.
