

California Governor Extends Flexibility to Hold Virtual Public Meetings

In March 2020, as part of a series of emergency measures in response to the COVID-19 pandemic, Governor Newsom signed Executive Order N-29-20. This order allowed local and state agencies to hold virtual meetings via teleconferencing and other means, effectively notwithstanding the open meeting requirements in the Bagley-Keene Act and Brown Act that were due to expire on June 15, 2020.

On June 2, 2021, in response to a written request by a

coalition of local government agencies, the Governor announced that N-29-20 will not terminate on June 15, and that state and local agencies can continue to conduct virtual public meetings as needed. The Governor did not set a new expiration date for N-29-20 and committed to provide advance notice before rescinding the order to provide the agencies the time needed to meet statutory and logistical requirements. Under the Governor's announcement, state and local agencies may continue to hold meetings in California via teleconferencing and allow members of the public to observe and address the meeting by telephone or on the internet. All requirements of the Bagley-Keene Act and Brown Act requiring the physical presence of agency officials, staff or the public at public meetings remain suspended.
