## **Upcoming Webcast: "The SEC's Climate/Cyber Rulemakings - Your Action Items Now"**

Join us in two weeks, on Tuesday, May 24th (from 3:00-4:00 pm eastern), for a video program - <u>"The SEC's Climate/Cyber Rulemakings: Your Action Items Now"</u> - that will cover the practical side of the SEC's recent climate and cybersecurity disclosure rule proposals. You've already learned the basics about what the SEC has proposed - but what might you consider now to get a jump on being adequately prepared? Join Perkins Coie's own Amelia Gerlicher, Allison Handy, Marcy Hupp and Broc Romanek by <u>registering for this complimentary program now...</u>

Before the program, get-up-to-speed on the SEC's climate disclosure proposal with our 19-page guide: <u>"The SEC's Climate Disclosure Proposal: A Comprehensive Look"</u> - or check out our <u>shorter client memo</u> on the topic.
