September 30, 2024

Amid intense focus on AI and a flurry of consumer privacy law updates, legislative activity has continued to change data breach notification requirements in a variety of ways. Similar to 2023, a handful of changes to generally applicable state breach notification statutes were accompanied by steady sectoral activity at the state level and significant updates at the federal level, including new obligations from both the Federal Trade Commission (FTC) and the U.S. Securities and Exchange Commission (SEC).
